- Year 6 Farewell Disco

Friday 12 December

- School Assembly 2.30pm

Principal's Report

Wiyabu! Hello!

It has been another trying week in regard to the weather, and I want to thank everyone for continuing to trust us with your children. Please be assured that we have strong policies, procedures, and emergency plans in place, and a key part of those plans is our direct access to emergency services, who continue to guide and support us whenever needed. With some very hot days ahead, please know that our staff have the safety and wellbeing of our students at the heart of all they do, each and every day.

From Week 8, **Mrs. Aimee Pappas** will be relieving in my role for the remainder of the year as I step out to undertake a temporary Relieving Director, Educational Leadership position for the Lake Macquarie North Network. I look forward to seeing everyone again at the start of next year.

This week, all of Port Stephens commences Sorry Business, with Aboriginal flags flown at half-mast for **Aunty Colleen Perry**. Aunty Colleen's passing is incredibly sad and marks the loss of a strong cultural identity and matriarch whose story is forever etched into the painted footsteps at the front of our school. Aunty Colleen was not allowed to attend Karuah Public School as a child — and it is for her, and for all Elders affected, that our reconciliation journey began. Her courage, legacy, and strength continue to guide our work.

From one story of leadership to another, last Tuesday our **Year 5 aspiring leaders for 2026** presented their speeches to a truly captivated audience. This is the largest number of nominations we have ever had, and we could not be prouder of each and every one of these outstanding students. What impressed us most was that every student, without exception, spoke about leading with kindness, modelling kindness, and lifting others up. There is nothing more we could ask of a future leader.

See you all next year!

Warm regards,

Toni Lyle

Social media changes are coming - Dec 10

From December 10 2025, certain social media platforms won't be allowed to let Australians under 16 create or keep an account. Under-16s will still be able to see publicly available social media content that doesn't require logging into an account.

What you need to know:

- The age restrictions are likely to apply to [Facebook](#), [Instagram](#), [Kick](#), [Reddit](#), [Snapchat](#), [Threads](#), [TikTok](#), [X](#) and [YouTube](#), as well as other platforms. See the [latest list](#).
- Under-16s will still be able to see publicly available social media content that doesn't require logging into an account.
- There are exclusions for a number of platforms, including educational tools such as learning management systems. For example, Google Classroom and [YouTube Kids](#) will not be age restricted, and YouTube videos that can be seen without logging in can still be shared by teachers.

Why the changes?

The changes aim to protect under-16s from pressures and risks they can be exposed to while logged in to social media accounts. These come from design features in the platforms that:

- encourage them to spend too much time on screens – for example, by prompting them with streams of notifications and alerts, and pressuring them to view disappearing content
- increase the likelihood of exposure to negative, upsetting or manipulative content served up in their feeds by algorithms.

These features have been linked to harms to health and wellbeing – including increased stress levels, and reduced sleep and concentration.

Of course, they are not the only risks on social media. Young people can also be exposed to harmful conduct such as cyberbullying, being asked for nudes and being sent pornography or violent material.

*The age restrictions are a **delay, not a ban.***

You won't have to say 'yes' or 'no' to social media accounts, instead you can say 'not yet', knowing other under-16s are also being prevented from creating or keeping accounts so your child won't be missing out.

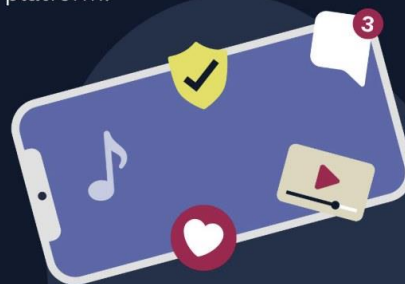

The delay gives you extra time to talk about online safety and wellbeing with your child, to help them prepare for the risks and pressures of social media when they turn 16. It's breathing space for them to build digital, social and emotional skills, and to understand the importance of reaching out for help if things go wrong.

How young people can prepare for
**the social media
age restrictions**

What are the
**social media
age restrictions?**

From 10 December,
some social media platforms must
take reasonable steps to stop under
16s from having or making accounts
on their platform.

What platforms are included?

From our assessments, these platforms will be age-restricted:

- Facebook
- Instagram
- Kick
- Reddit
- Snapchat
- Threads
- TikTok
- X
- Youtube

Young people can still be online

The age restrictions only apply to certain social media platforms.

Under 16s can still have accounts for services that have the primary purpose of:

Messaging, email, voice calling or video calling like **WhatsApp** and **Discord**.

Enabling users to play online games with other users like **Roblox**, **Steam** and **LEGO Play**.

How under 16s can get ready?

Check if they'll be affected by the restrictions.

Find other ways to follow their favourite online groups and connect with their friends.

Download and archive any accounts that will be impacted.

Reach out to family and friends for support.

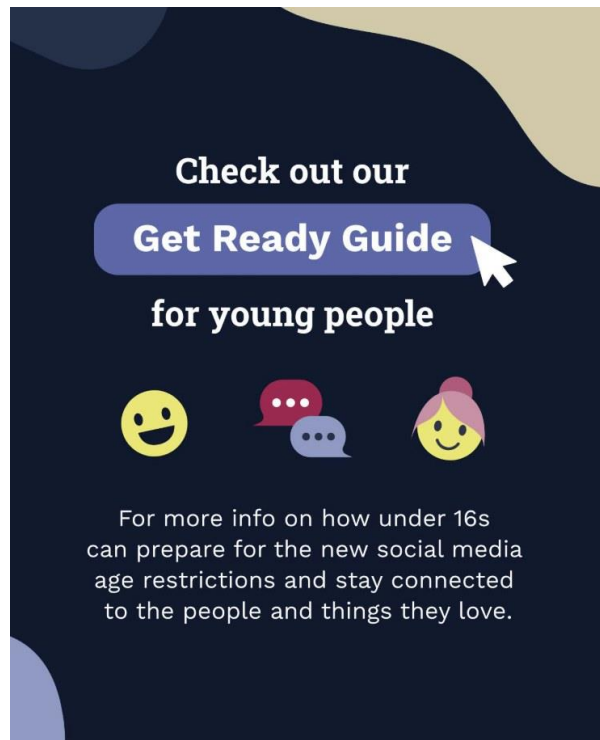

Young people can also get support from

**REACH
OUT**

 **headspace**

Kindergarten Enrolments and Class Arrangements for 2026: Further Information

We are currently still accepting enrolments for Kindergarten 2026, and we are on track to have a record number of students joining Karuah Public School next year!

As many of you know, our school continues to grow rapidly in student numbers—**but not in classroom spaces or staff allocations**. To preserve our wonderful learning environment, maintain smaller and more individualised class sizes, and continue the outstanding results our students are achieving, we will be introducing a new class structure next year. This change is a proactive step to ensure that as our school expands, we can continue to offer the same high-quality and personal education experience that defines Karuah Public School.

With a very large current Kindergarten also moving into Year 1 in 2026, maintaining separate Kindergarten, Year 1 and Year 2 classes while keeping our infant classes small and manageable is no longer logistically possible.

To best support our growing student body, Karuah Public School will be entering a new phase by moving all Kindergarten to Year 2 classes into the F Block buildings along Tarean Road in 2026. This will create a concentrated K–2 learning zone with strong levels of support staff and interactive learning environments for our youngest students.

This arrangement will provide a more settled start for new Kindergarten students at the beginning of the year, surrounded by experienced and independent learners from day one. It will also address concerns about having only one large Kindergarten class in the current Kindergarten block and taking a small group of students away from their new peers into a distant K/1 class in F Block.

We are very excited about this transition as it allows our school to grow with a more flexible structure that welcomes new families more easily, without placing pressure or overcrowding on just one or two classrooms with set year levels who continue to get new enrolments.

As a school that prides itself on **individualised learning**, guided by the **literacy and numeracy progressions**, this change will have no negative impact on your child's education. In fact, it will strengthen our capacity to deliver high-quality, targeted learning experiences for every student. All of our student's data is tracked and learning progress regularly (daily!) monitored.

Please note that students will not be informed of their classroom teacher until the first day of Term 1, 2026. Class groupings will continue to be reviewed and refined over the 5–6 week summer break to ensure the best possible arrangements for all students.

Thank you for your understanding and continued support as we prepare for another exciting year ahead at Karuah Public School.

Selective High School and Opportunity Classes

NSW Department of Education

Selective high school or opportunity class entry in 2027

Apply now if your child is currently in:

- **Year 3** – for **opportunity class** entry in Year 5
- **Year 5** – for **selective high school** entry in Year 7.

Applications close 20 February 2026.

Is it right for my child?

Here are some signs that your child may benefit from selective education.

learns quickly and easily

goal-driven

asks complex questions

good memory

curious and creative

deeply explores passions

Selective high school and opportunity class applications are open from 6 November 2025 to 20 February 2026

Selective high school Year 7 entry in 2027: Apply when your child is at the end of Year 5 or the beginning of Year 6.

Opportunity class Year 5 entry in 2027: Apply when your child is at the end of Year 3 or the beginning of Year 4.

[Selective high schools and opportunity classes](#) are some of the ways the NSW Department of Education supports high potential and gifted students.

What are their benefits?

Students learn alongside, and form friendships with, other high potential and gifted classmates. Special teaching methods allow students to learn at a quicker pace and in more detail.

Research shows that students benefit both academically and socially when learning with classmates who have similar abilities.

Selective high schools and opportunity classes are not zoned so you can apply to ones outside your local enrolment area. Within each co-educational opportunity class and selective high school there will be an equal number of places available for girls and boys.

Visit the website for more information and to complete the online application: [Selective high schools and opportunity classes](https://education.nsw.gov.au/schooling/parents-and-carers/choosing-a-school-setting/selective-high-schools-and-opportunity-classes)

WEEK 9 KEY DATES

The poster for Week 9 Key Dates features a green background with white snowflakes and a red bow at the top. On the left is the school crest with the motto 'Look, Listen and Learn'. Tuesday December 2 - HRHS Transition Day Year 7 2026

Students in Year 6 that are attending HRHS in 2026 have been invited to attend their annual Transition Day.

This day provides an opportunity for new students to get acquainted with the school environment, routines, and staff before the school year begins.

What to expect on the transition day:

- Introduction to the school: You will have a chance to learn about the school's layout, routines, and expectations.
- Meet new staff and students: The day is designed to help you get to know your new teachers and classmates.
- Understand high school life: You will learn about the differences between primary and high school and what to expect during Year 7

Year 6 will travel via bus to the high school with Miss Hicks.

Friday December 5 - Responsible Pet Ownership Program

On Friday 5th December students from K-2 will partake in an incursion about being safe and making safe choices around pets. Linked to the K-2 PDHPE topic this terms of '**Keeping myself and others safe**', students will be introduced to the Responsible Pet Educator and their pet dog. Students will learn how to be safe around dogs, how to ask permission before interacting with a dog and how to safely say 'hello' to dogs.

Week 7- Monday November 24 School Leaders Assembly

A huge Congratulations to our Year 5 students that presented their leader speeches to our school and community on Monday. They all did an amazing job and it was a very tough decision to vote.

Students that were successful in gaining a leadership position will be advised on our Presentation Day that is held on Wednesday 10th December.

Friday November 28 - Oztag v Tea Gardens Public School

On Friday morning, Tea Gardens Public School hosted KPS for three great games of oztag. We were incredibly lucky to be a part of such an amazing morning. Our stage 2 boys, stage 2/3 girls and stage 3 boys played a game each. All games were played with a strong competitive spirit and there was some incredible talent on display. Our stage 2 boys went down in a hard-fought game to kick off the day while our girl's team and stage 3 boys came home strong, each winning their games.

A huge thank you to the staff at Tea Gardens Public School for their hospitality. Our students were treated to post-game iceblocks and a sausage sizzle lunch. The preparation and organisation of the day set a high standard. We are hoping for more of these days in the future - perhaps an annual competition.

Thank you to Mr Evans, Mrs Edwards and Aunty Nicki for their efforts on the day. Mr Evans is a fantastic coach and even balanced coaching and refereeing the stage 3 game.

Mr Charles Fielder

Thursday November 20 - Community PBL Awards

On Thursday our **Raymond Terrace Community PBL awards** were on at Raymond Terrace Marketplace. This week Miss Foister proudly attended to congratulate our wonderful Braxton. Braxton was nominated for **being an outstanding friend who consistently shows kindness and inclusivity to all. Always with a positive attitude, Braxton plays fairly and follows the rules, making sure everyone is having fun. His great sportsmanship and constant encouragement help others feel supported and enjoy their time together. Well done Braxton!**

RAYMOND TERRACE COMMUNITY PBL

Positive Behaviour for Learning

Congratulations to this week's award winners!

 <p>Jamesha</p> <p>Jamesha is nominated for consistently demonstrating excellent behavior while in the canteen area. She is polite, respectful, and consistent of staff and fellow students, promoting our school's PBL expectations through her actions.</p> <p>Her positive attitude and respectful conduct make her a great role model in our school.</p>	 <p>Lochlan</p> <p>Lochlan is nominated for his consistently positive attitude and enthusiasm towards throughout the school. He works with everyone with a smile and quietly ensures his classmates and peers feel supported and encouraged. Lochlan often acts as a role model to help others who may be experiencing difficulties. He approaches every challenge with a willingness to learn, taking on feedback and striving to improve. Lochlan's caring nature and cheerful disposition are key to making our school a happy and positive environment for all.</p>	 <p>Alex</p> <p>Alex is a dedicated sportsman. This extends to not only on the field but off the field as well. Alex has recently demonstrated how responsible he is by following the school's sports code. Way to go, Alex!</p>
 <p>Luca</p> <p>Luca has been nominated for consistently showing our school values through his everyday actions. He demonstrates remarkable resilience when faced with challenges, approaches others with empathy, and actively contributes to creating a positive and supportive school environment. Well done, Luca!</p>	 <p>Aria</p> <p>Aria has been nominated for demonstrating our school and community expectations during a recent League Day inter-school competition. She was an exceptional role model for others, showed great sportsmanship and proudly represented IPS. Well done Aria!</p>	 <p>Cairo</p> <p>Cairo is nominated for the way he handled himself and supported others while at the Intensive Care program. Swimming teachers commented on his confidence to have a go at anything and supporting others to do the same. He also displayed exceptional politeness and respect to the visiting staff, always with a smile.</p>
 <p>Emalynne</p> <p>As School Captain and a former PBL leader, Emalynne demonstrated outstanding leadership at our annual BBL Sports Awards last week. She sets the professional and a calm presence beyond two years of experience. Her delivery helped create a positive and memorable occasion for our students and their families. Congratulations Emalynne on displaying our PBL values of Respect, Responsibility and Personal Best.</p>	 <p>Xander</p> <p>Xander is nominated for his care during a recent incident at school where a bird had flown into the classroom. Xander, in his own time, assisted the teacher in safely guiding the bird out of the classroom ensuring its safety. Thank you Xander for your responsibility and care.</p>	 <p>Braxton</p> <p>Braxton is nominated for being an outstanding friend who consistently shows kindness and inclusivity to all. Always with a positive attitude, Braxton plays fairly and follows the rules, making sure everyone is having fun. His great sportsmanship and constant encouragement help others feel supported and enjoy their time together. Way to go Braxton!</p>

AWARD SPONSORS
SCHOOLS & BUSINESSES WORKING TOGETHER

Community PBL Awards – Nomination Guide & Review Process

These awards celebrate students who consistently live our core values of **respect, responsibility and pride**—whether that’s lending a hand at a community event, showing daily kindness, or caring for our local environment.

How to Nominate

- **Nomination criteria** Nominate students whose actions clearly embody our school values. Examples might include volunteering at community events, mentoring younger peers, or protecting the school grounds and wider community.
- **Submitting a nomination** Email the school with the student’s name, class and a clear description of the positive behaviour you observed. The more detail you provide, the easier it is for the panel to understand the impact.
- **Who can nominate?** Parents and carers are welcome to nominate their own children, but we also encourage you to recognise other students who make our school and community a better place.

Review Process

Each week, all nominations are reviewed by our **PBL Review Committee**. Because we routinely receive **more nominations than there are awards available**, selection is not guaranteed. However, **nominations that are not selected remain in the pool and are reconsidered in each subsequent review**. The committee:

1. **Aligns every nomination with PBL values and behaviour expectations**, confirming the student's actions clearly reflect those standards—inside the classroom, around the playground or out in the wider community.
2. **Looks for evidence of sustained and consistent positive behaviour**, giving priority to students who repeatedly demonstrate our core values over time.

We value every child's efforts, but the committee must select the **most deserving nominees from the pool each cycle** to keep the process fair and transparent.

Notification & Celebration

If your child is chosen to receive a Community PBL Award, you will receive a letter at the beginning of the week with all the details. We look forward to publicly celebrating the wonderful behaviours that make our school such a positive place to learn and grow.

Thank you for your ongoing support in recognising and fostering the values that define our school community.

Aboriginal Education

Aboriginal education classes with Aunty Nicki this week, years 4, 5 and 6 completed their message sticks with the stories they made in earlier lessons.

The students showed great creativity in decorating their message sticks, using traditional patterns and symbols to represent their personal stories. It was great to see everyone sharing what their designs meant, while fostering a deeper understanding of Aboriginal culture and storytelling traditions.

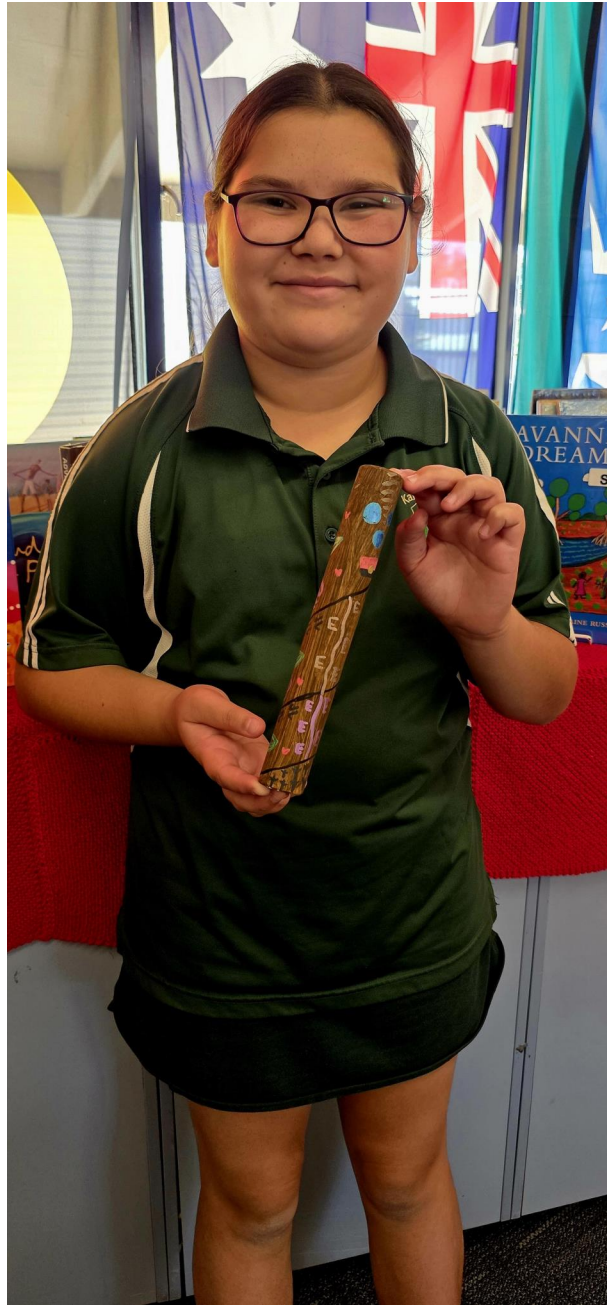

If you have any questions regarding your child or would just like to have a yarn with the Aboriginal Education team, please contact the school and Aunty Nicki, Aunty Pearl or Aunty Kellie will be in contact.

Gapu,
Aboriginal Education Team

Assembly Awards

3 - Ruby M: for her thoughtful contributions to class discussions

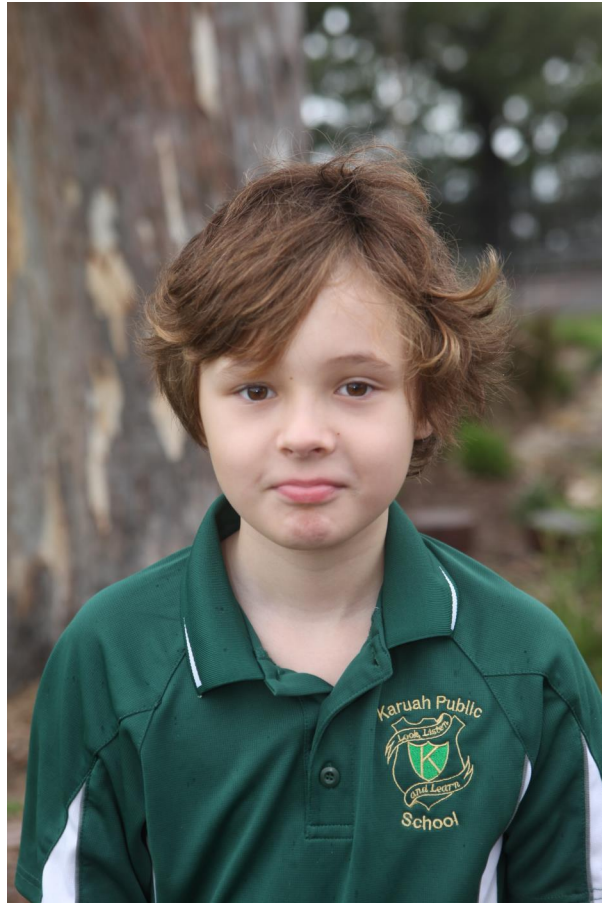

4 - Esther L: for challenging herself to include adjectives when writing compound sentences

5 - Axel M: For working hard and helping his peers during maths lessons

6 - Aurora W-D: For always trying her best in all learning tasks

7 - Tate M: for trying hard to use expression when reading speech in a text

8 - CJ W: for his hard work and persistence when using different strategies in Ninjas.

9 - Lauren C - For showing initiative when faced with challenges

10 - Natalie C - For showing strong motivation to succeed in maths lessons

11 - Harrison W: a pen licence

12 - Eedie R: a pen licence

13 - Dexter H: for using his knowledge of figurative language to analyse poetry.

14 - Shonequa TW: for using the repeated addition strategy to solve complex multiplication problems independently.

15 - Kandra-Lee: For demonstrating outstanding imagination and artistic flair in creating our under-the-sea themed artworks

16 - Ethan B: for consistently challenging himself by completing Ninja questions above his own

17 - Eva P: always demonstrating pride in all class activities

18 - Esther L: always having a positive attitude in all class activities

19 - Natalie C: Always completing RFF lesson promptly and confidently

20 - Josh M: Showing enthusiasm in our science investigations

Positive Behaviour for Learning (PBL)

This week in PBL...

This fortnight our PBL focus is 'I show **Responsibility** by being safe online.' In class this fortnight students were informed of the December 10, social media age restrictions for children under the age of 16. K-2 students discussed strategies for dealing with online risks. Students talked about what risks there can be when going online and how important it is to make sure we are keep our personal information private. 3-6 students discussed the issues that can arise when content or images are shared online. Students investigated further, using the eSafety website, how the social media age restrictions will affect them and what it means come December 10.
